Downloading and installing Visual Studio 2019

- 1. Visit <u>https://visualstudio.microsoft.com/downloads/</u> in your favorite Web browser.
- 2. Click on the "Free Trial" download link for Visual Studio Professional (not Community or Enterprise).

- 3. Be sure you have a good Internet connection, as the entire Visual Studio package is several gigabytes in size (depending on the options you select) and the download may take a while.
- 4. Run the installer you just downloaded. (It normally will be downloaded either to your Desktop, or to your Downloads folder.)
- 5. Select the components you want to install, and other installation options.
